

VaporTech.
Signature
PVD FINISHES COLLECTION

ELEVATED COLOR OPTIONS

for the selective
firearms buyer

Give your firearms a competitive edge with the *Signature* **PVD FINISHES COLLECTION**. This exclusive line of coatings features a bold, warm palette that satisfies the most discerning consumers. VaporTech® has leveraged our experience and passion for PVD coatings to craft these four distinctly American finishes, which are applied using our VaporTech PVD coating systems.

VaporTech, a global leader in durable/decorative PVD coating, is a Masco Corporation subsidiary alongside sister companies Delta Faucet Company and Behr® Paint.

MIDNIGHT BLACK

A sleek, saturated black with blue undertones in a luxurious modern hue makes a bold statement.

STORMY GRAY

Dramatic yet quietly sophisticated slate gray is a highly luxurious twist on a strong, rugged color.

AUTUMN BRONZE

A refined, contemporary take on classic bronze adds unexpected elegance to a timeless classic.

SUNRISE GOLD

Rich, warm, and subdued, this updated color enhances gold's impact as a symbol of prosperity and status.
